

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning trade. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over sixty years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to offering top quality and new design concepts to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They enjoy providing items that energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' needs and skills combined with their comprehension of cleaning applications, along with owners' strong desire to dramatically lessen cost through productivity gains.

The workers at TREK and their dealer-partners are really committed to having both parts and technical support accessible when it is required. Their high service dedication is one of the core values in their customer service. Keeping their customers' cleaning machines running and ready day after day is top priority. The company's top of the line technology delivers reliable machine that eventually lowers your cost of cleaning. The price, the service and the product all work as one in order to make them an industry leader.
